### THE ORIGINAL DRAGON SEPT BOOKS

*Start with Aisling, Drake, and Jim:*

#### Aisling Grey Novels

1. YOU SLAY ME (Sep 7, 2004)
2. FIRE ME UP (May 3, 2005)
3. LIGHT MY FIRE (Nov 7, 2006)
4. HOLY SMOKES (Nov 6, 2007)
5. *Perils of Effrijim* Novella (originally in DEATH'S EXCELLENT VACATION ANTHOLOGY Aug 3, 2010)

*Then go to the second sept. These three books feature May and Gabriel. Note: characters from previous books (i.e. Aisling, Jim, Drake) appear in almost every subsequent book.*

#### Silver Dragon Novels

1. PLAYING WITH FIRE (May 6, 2008)
2. UP IN SMOKE (Oct 7, 2008)
3. ME AND MY SHADOW (Nov. 3, 2009)

*Up next are the Baltic and Ysolde books. I wrote Baltic for me, but I will share him with you. Just don't tell Soldy.*

#### Light Dragon Novels

1. LOVE IN THE TIME OF DRAGONS (May 4, 2010)
2. THE UNBEARABLE LIGHTNESS OF DRAGONS (May 4, 2011)
3. SPARKS FLY (May 4, 2012)

*At this point, dive into the book that I wrote to fill in the gaps between SPARKS FLY and DRAGON FALL. It features a lot of familiar faces, and some faces that come up in later books.*

### Intermediate Dragon Catch-up Novel

1. DRAGONBLIGHT (Mar 2021)

*The next tree books are dragon sept books, but they start their own sub-series. The fourth book is something I did because I felt sorry for the First Dragon.*

### DRAGON FALL NOVELS

1. DRAGON FALL (July 28, 2015)
2. DRAGON STORM (Nov. 24, 2015)
3. DRAGON SOUL (Mar. 29, 2016)
4. DRAGON UNBOUND (Dec. 6, 2016)

*And finally we come to the Dragon Hunters, the currently active sub-series. There is at least one more book coming in this series, after which other dragons may go off into their own sub-series.*

### DRAGON HUNTER SERIES

1. MEMOIRS OF A DRAGON HUNTER (Sep 2018)
2. DAY OF THE DRAGON (Mar 2019)
3. A CONFEDERACY OF DRAGONS (July 2022)
4. YOU SLEIGH ME (October 2022)
